

LCFF Budget Overview for Parents: Data Input

Local Educational Agency (LEA) name:	ISANA Cardinal Academy
CDS code:	19-64733-0123984
LEA contact information:	Nadia Shaiq
Coming LCAP Year:	2019-20
Current LCAP Year	2018-19

*NOTE: The "High Needs Students" referred to in the tables below are Unduplicated Students for LCFF funding purposes.

Projected General Fund Revenue for the 2019-20 LCAP Year		Amount
Total LCFF funds	\$	3,923,378
LCFF supplemental & concentration grants	\$	976,129
All other state funds	\$	280,499
All local funds	\$	192,660
All federal funds	\$	544,157
Total Projected Revenue	\$	4,940,693

Total Budgeted Expenditures for the 2019-20 LCAP Year		Amount
Total Budgeted General Fund Expenditures	\$	3,771,859
Total Budgeted Expenditures in LCAP	\$	1,266,982
Total Budgeted Expenditures for High Needs Students in LCAP	\$	700,313
Expenditures not in the LCAP	\$	2,504,877

Expenditures for High Needs Students in the 2018-19 LCAP Year		Amount
Total Budgeted Expenditures for High Needs Students in the LCAP	\$	115,490
Estimated Actual Expenditures for High Needs Students in LCAP	\$	113,556

LCFF Budget Overview for Parents

Local Educational Agency (LEA) Name: ISANA Cardinal Academy

CDS Code: 19-64733-0123984

Local Control and Accountability Plan (LCAP) Year: 2019-20

LEA contact information: Nadia Shaiq

School districts receive funding from different sources: state funds under the Local Control Funding Formula (LCFF), other state funds, local funds, and federal funds. LCFF funds include a base level of funding for all LEAs and extra funding - called "supplemental and concentration" grants - to LEAs based on the enrollment of high needs students (foster youth, English learners, and low-income students).

Budget Overview for the 2019-20 LCAP Year

This chart shows the total general purpose revenue ISANA Cardinal Academy expects to receive in the coming year from all sources.

The total revenue projected for ISANA Cardinal Academy is \$4,940,693.26, of which \$3,923,378.00 is Local Control Funding Formula (LCFF), \$280,498.66 is other state funds, \$192,659.60 is local funds, and \$544,157.00 is federal funds. Of the \$3,923,378.00 in LCFF Funds, \$976,129.00 is generated based on the enrollment of high needs students (foster youth, English learner, and low-income students).

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

LCFF Budget Overview for Parents

This chart provides a quick summary of how much ISANA Cardinal Academy plans to spend for 2019-20. It shows how much of the total is tied to planned actions and services in the LCAP.

ISANA Cardinal Academy plans to spend \$3,771,858.62 for the 2019-20 school year. Of that amount, \$1,266,982.00 is tied to actions/services in the LCAP and \$2,504,876.62 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Some key expenditures not included in the LCAP include: Salaries and benefits for certain staff, additional support for students with disabilities, routine repair for maintenance, facility, custodial and utility costs, legal fees, and copy machine leases and insurance. Also, not included in the LCAP are Title II expenditures, which cover additional Professional Development.

Increased or Improved Services for High Needs Students in 2019-20

In 2019-20, ISANA Cardinal Academy is projecting it will receive \$976,129.00 based on the enrollment of foster youth, English learner, and low-income students. ISANA Cardinal Academy must demonstrate the planned actions and services will increase or improve services for high needs students compared to the services all students receive in proportion to the increased funding it receives for high needs students. In the LCAP, ISANA Cardinal Academy plans to spend \$700,313.00 on actions to meet this requirement. The additional improved services described in the LCAP include the following:

The actions and services not only have an impact on the learning environment and the climate of the LEA as a whole but are targeted to have a greater impact on the unduplicated student groups (high need students). Due to the significant unduplicated pupil percentage LEA-wide, the LEA's course of action is to ensure educational equity for all students. Actions are principally directed to our high need students in order to achieve the programs goals for our unduplicated students.

LCFF Budget Overview for Parents

Update on Increased or Improved Services for High Needs Students in 2018-19

This chart compares what ISANA Cardinal Academy budgeted last year in the LCAP for actions and services that contribute to increasing or improving services for high needs students with what ISANA Cardinal Academy estimates it has spent on actions and services that contribute to increasing or improving services for high needs students in the current year.

In 2018-19, ISANA Cardinal Academy's LCAP budgeted \$115,490.00 for planned actions to increase or improve services for high needs students. ISANA Cardinal Academy estimates that it will actually spend \$113,556.00 for actions to increase or improve services for high needs students in 2018-19. The difference between the budgeted and actual expenditures of \$1,934.00 had the following impact on ISANA Cardinal Academy's ability to increase or improve services for high needs students:

The differences between total budgeted and estimated actual expenditures for actions and services to increase or improve services did not impact the overall increased or improved for high need students in 2018-19. Any material differences between actions and services and estimated actuals is explained in the Annual updated of the LCAP.

2017-20 Plan Summary

The Story

Describe the students and community and how the LEA serves them.

ISANA Cardinal Academy operates a high quality school in the historically underserved area of Sun Valley. The mission of ISANA Cardinal Academy is to provide a school where underserved students will thrive in an atmosphere of high expectations and engaging curriculum with challenging learning activities. In accordance with our mission, we enroll at-risk students from communities in need. The community surrounding ISANA Cardinal Academy is growing rapidly and is highly impacted. The school opened in September 2011 with 159 students in kindergarten through fifth grade and has grown each year; it currently has 366 students in transitional kindergarten through fifth grade. More than 90% of students qualify for the free or reduced lunch program; 47.9% of the children are English Learners. The community is mostly Latino (93.07%).

Our dedication to low income communities has allowed us to develop an instructional model designed to meet the needs of these communities. ISANA Cardinal Academy has developed a reputation for high academic standards, experienced and caring staff members, as well as a commitment to its students. Students have an opportunity to be challenged in an environment where high expectations and academic excellence are non-negotiable. Students benefit from a small, safe school environment where a respect for each other and each other's differences prevail. They benefit from an environment where parents and teachers work in partnership to meet student achievement goals. We are proud that our resulting state test scores have consistently outperformed those of neighboring schools, the district, and the state.

LCAP Highlights

Identify and briefly summarize the key features of this year's LCAP.

The school focused on several key areas over the last year including improving math and literacy instruction, increasing a focus on designated ELD and ELD instruction overall, increasing the use of assessment data to inform placement and intervention for students, the implementation of a highly effective systemic intervention for struggling students, and diversity and inclusion training for all staff on topics such as restorative practices unconscious bias, trauma-informed instruction and social emotional learning. The school also maintained its focus on ensuring high quality and appropriately credentialed teachers by maintaining its database of credentials and other relevant information and annually reviewing the master schedule to ensure appropriate assignments and the logging of faculty, staff and vendor Department of Justice and TB clearances. We also purchased additional textbooks, consumables, educational programs and other materials as needed to support strengthening our student achievement. Lastly, the school maintained or increased student attendance and stakeholder satisfaction across all groups as measured by the stakeholder surveys and other forms of feedback.

The school continues to focus on the goals listed below which were created when the state moved to LCAP and have been updated and refined by working closely with stakeholders throughout the year.

Goal 1: Students will master the skills of the Common Core State Standards and California State Standards. (State Priorities 1, 2, 3, 4, 7, 8)

Goal 2: English Learners will master the skills of the English Language Development Standards, Common Core State Standards and California State Standards. (State Priorities 1, 2, 3, 4, 7, 8)

Goal 3: All students will be taught by qualified teachers. (State Priorities 1, 2, 3, 4, 7, 8)

Goal 4: All students will be educated in learning environments that are safe, drug-free, and conducive to learning. (State Priorities 1, 5, 6)

Review of Performance

Based on a review of performance on the state indicators and local performance indicators included in the California School Dashboard, progress toward LCAP goals, local self-assessment tools, stakeholder input, or other information, what progress is the LEA most proud of and how does the LEA plan to maintain or build upon that success? This may include identifying any specific examples of how past increases or improvements in services for low-income students, English learners, and foster youth have led to improved performance for these students.

Greatest Progress

There are several areas of progress we are most proud of based on an analysis of the state and local indicators on the LCFF Evaluation Rubrics, progress toward LCAP goals, local self-assessment tools, and stakeholder input.

State Assessment:

From the 16-17 to the 17-18 Smarter Balanced Exam, we made growth in the following areas:

Math:

- 12% growth in our 3rd grade Math

In 16-17, Cardinal's 3rd Grade class overall math proficiency was 46%. In 2017-2018, Cardinal's 3rd Grade overall proficiency increased to 58%, an increase of 12% .

Reasons for this success are:

1. In mathematics there was a push for students in all grades to complete our adopted ST Math program which has proven to give significant results for all students who complete the program or meet a minimum of 70% prior to SBAC testing. Third grade had an 86% prior to SBAC testing.
2. Consistent Systems of Accountability for Student Outputs-Students created their Benchmark goals following each assessment.
3. IAB Implementation and Assessment

ELA:

- 11% growth in our 3rd grade ELA

In 16-17, Cardinal's 3rd Grade class overall ELA proficiency was 43%. In 2017-2018, Cardinal's 3rd Grade overall proficiency in ELA increased to 54%, an increase of 11%.

Reasons for this success are:

1. Organizational wide push to strengthen fluency. Cardinal continued the implementation of a regular fluency assessment program and provided targeted professional development for teachers around implementing guided reading. This program was mandatory for K-3 and utilized for intervention for 4-5.
2. Common Instructional Practices in 3rd Grade-
3. IAB implementation
4. Epic and Read Theory programs in the classroom.
5. Guided reading informed by fluency assessments
6. Targeted small group instruction
7. Weekly common assessments for comprehension, spelling, grammar, and math.

To continue with the success mentioned above, we purchased the i-Ready instructional program as an assessment, monitoring and instructional tool. The program is an interactive online learning environment designed to assess students and provide individualized instruction based on each one's unique needs. With the introduction of i-Ready, we have been able to systematically monitor our students' growth through monthly assessments which allows our teachers to create individual learning paths for each student. Further, all of our students take three Diagnostic assessments to monitor individual growth and mastery of standard and skills. These assessments are adaptive and designed to provide teachers with actionable insight into student needs. They offer a complete picture of student performance and growth, eliminating the need for multiple, redundant tests. By adapting to student responses and assessing a broad range of skills—including skills above and below a student's chronological grade—the iReady Diagnostic pinpoints student ability level, identifies the specific skills students need to learn to accelerate their growth, and charts a personalized learning path for each student. To better prepare our students for the California Assessment of Students Performance Progress (CAASPP), our teachers use Interim Assessment Blocks (IAB) as an added tool in the classroom for students to get familiarized with testing vocabulary and procedures plus adequate forms of answering to different types of questions. Finally, to support our students who need extra support in mathematics, we have referred our struggling students to our CoST system which provides our students with individualized or small group instruction in their areas of need. Our students receive extra academic support from our Academic Interventionists who utilize our i-Ready Individualized Learning Plans that coincide with each of the learning needs of our struggling students in in all grades.

Internal Assessments:

We are proud that our 18-19 internal assessments (i.e. i-Ready Diagnostics) have shown progress toward mastery of the Common Core Standards and have identified the following areas of strength:

- From looking at our data from Diagnostic #1 to #3, we see that TK to 5nd grade students overall have improved as well as our three most significant student groups in English Language Arts and Math.

ELA:

- Percentage of students at risk for tier 3 decreased from 17% to 5%
- Percentage of students on or above grade level increased from 5% to 25%

Math:

- Percentage of students at risk for tier 3 decreased from 13% to 4%
- Percentage of students on or above grade level increased from 4% to 34%

Overall Growth:

- There was growth in both ELD and SPED subgroups
- Less than 5% of all Cardinal students are at risk for tier three intervention (tk-5th grade)

To continue the growth described above we will continue to have consistent monitoring of student progress in iReady which will enable teachers to quickly identify students who need additional support and/or instruction to further their progress through the program. We will also continue our internal coaching and development of teachers' instructional practices by our Instructional Coaches which includes guiding teachers through an analysis of their student data. After each Diagnostic and Standards Mastery, teachers will analyze summative data which will guide the creation of their action plan. On these action plans, teachers will target students and their specific areas of need so that they can be assessed for mastery of standards in both ELA and math.

In addition, our emphasis on student discourse and collaborative learning will also help to increase our students' ELA performance. Our consistent implementation of small group instruction and, so, more targeted instruction, will also lead to an increase of student performance in math as well as in ELA. Finally, with the new i-Ready program that has been implemented, our students have an individualized path within the program to help meet their specific needs. This individual plan can also be accessed at home, before school and after school in our School i-Ready Lab to provide an added support outside of the regular school day.

School Climate-Suspension and Expulsion Rates

Another area we are very proud of is our suspension and expulsion rates. Overall, students suspension rates in 2018-2019 was 0.3%. We see this reflected in our California Dashboard/LCFF Evaluation Rubric, which indicates that the suspension rate for All Students remained under 1%. Currently, our suspension and expulsion rate are at 0% for 2018-2019. Furthermore, our expulsion rate has maintained at 0% since our inception in 2011.

On the California Dashboard, ISANA Cardinal Academy received a rating of green in the Suspension Rate domain, which reflects the school's intentional effort to maintain these decreased suspension rates. Below, is a list of interventions that have been design to maintain our low suspension and expulsion rates.

- Individual and small group counseling sessions that cover such topics as Friendship, Social Skills, Anger/Coping, and Mindfulness
- Push-In/Classroom Guidance Lessons and Peace Circles covering issues like Bullying and Harassment, Peer Conflict, and Suicide Ideation

- Restorative Circles focusing on Positive Peer Communication, Responsibility, and Repairing Harm
- Monthly assemblies to acknowledge and celebrate student success in meeting and exceeding behavior, character, and academic expectations.
- Special events implemented school-wide such as Literacy Week, Random Act of Kindness Day, and College and Career Week.
- Staff professional development centered positive behavior intervention, trauma-informed practices, and Love and Logic

Additionally, the school counselor collaborates with classroom teachers to develop Behavioral Support Plans and monitor student behavior to proactively address adverse behaviors that could lead to suspension. Individual counseling referrals for behavioral issues in the classroom are made through COST.

Members of ISANA Cardinal Academy's leadership team traveled to Breckenridge, Colorado to attend the Love and Logic Educator and Parent Conference in June 2018. The courses offered during this conference focused on dealing with students with challenging pasts. From there, the team developed the 2018-2019 SWPBIS Implementation Plan, which included expanding the professional development reach to include classified staff.

Classified staff have a great deal of interaction with our students. Therefore, their knowledge of Love and Logic techniques and positive behavior intervention supports is critical to establishing positive school culture and effective discipline practices.

ISANA Cardinal Academy certificated and classified staff participated in professional development centered on trauma-informed instruction and practices. This professional development, led by Wes Hall, founder of The Village--Institute of Student Empowerment, and ISANA leadership was designed to reinforce our belief that all students have the potential to be productive members of the school community and society at large.

Therefore, they are deserving of loving relationships, safe boundaries, and opportunities to see themselves being successful.

For the remainder of the school year, certificated and classified staff will cover a social-emotional/trauma-informed topic during their weekly professional development meetings. Doing this will make good on our commitment to create communities of learning wherein the dignity of our students is preserved and all stakeholders are empowered to continue to a positive school culture.

To further this effort and bring families into the knowledge of how we care for our students, ISANA Cardinal Academy offered Parenting with Love and Logic to families. Sessions are offered to all families free of charge and take place on campus once a month. We have consistently had between 12-15 families attend each session with three more sessions planned before the end of the 2018-2019 school year.

Referring to the California School Dashboard, identify any state indicator or local performance indicator for which overall performance was in the "Red" or "Orange" performance category or where the LEA received a "Not Met" or "Not Met for Two or More Years" rating. Additionally, identify any areas that the LEA has determined need significant improvement based on review of local performance indicators or other local indicators. What steps is the LEA planning to take to address these areas with the greatest need for improvement?

Greatest Needs

On the ELA indicator on the Dashboard, English Learners were the only group in the orange performance category. We continue to implement SIOP, SDAIE and CBE strategies and refine Designated ELD instruction to make comprehensive input accessible for English Learners and to be better able to target their language needs and by providing teachers with additional professional development in teaching English Learners. Moreover, in 2018-2019, ISANA Cardinal transitioned from developing Benchmark Assessments in-house through SchoolNet to adopting the i-Ready program to administer Diagnostic Assessments. iReady Diagnostic assessments are adaptive assessments designed to provide teachers with actionable insight into student needs. They offer a complete picture of student performance and growth. By adapting to student responses and assessing a broad range of skills—including skills above and below a student's chronological grade—the iReady Diagnostic pinpoints student ability level, identifies the specific skills students need to learn to accelerate their growth, and charts a personalized learning path for each student. Students take Diagnostic Assessments three to four times a year, depending on the grade level. Further, I-Ready has enabled our parents to support their children at home with their personalized learning path even if they themselves do not understand the language or the content of the lessons for students, all that parents need to do is provide a computer or tablet for students with internet access thus extending our students' learning time.

Referring to the California School Dashboard, identify any state indicator for which performance for any student group was two or more performance levels below the "all student" performance. What steps is the LEA planning to take to address these performance gaps?

Performance Gaps

On the ELA indicator on the Dashboard, English Learners were the only group in the orange performance category. We continue to implement SIOP, SDAIE and CBE strategies and refine Designated ELD instruction to make comprehensive input accessible for English Learners and to be better able to target their language needs and by providing teachers with additional professional development in teaching English Learners. Moreover, in 2018-2019, ISANA Cardinal transitioned from developing Benchmark Assessments in-house through SchoolNet to adopting the i-Ready program to administer Diagnostic Assessments. iReady Diagnostic assessments are adaptive assessments designed to provide teachers with actionable insight into student needs. They offer a complete picture of student performance and growth. By adapting to student responses and assessing a broad range of skills—including skills above and below a student's chronological grade—the iReady Diagnostic pinpoints student ability level, identifies the specific skills students need to learn to accelerate their growth, and charts a personalized learning path for each student. Students take Diagnostic Assessments three to four times a year, depending on the grade level. Further, I-Ready has enabled our parents to support their children at home with their personalized learning path even if they themselves do not understand the language or the content of the lessons for students, all that parents need to do is provide a computer or tablet for students with internet access thus extending our students' learning time.

Comprehensive Support and Improvement

An LEA with a school or schools identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act must respond to the following prompts.

Schools Identified

Identify the schools within the LEA that have been identified for CSI.

ISANA Cardinal Academy is not identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act.

Support for Identified Schools

Describe how the LEA supported the identified schools in developing CSI plans that included a school-level needs assessment, evidence-based interventions, and the identification of any resource inequities to be addressed through the implementation of the CSI plan.

ISANA Cardinal Academy is not identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act.

Monitoring and Evaluating Effectiveness

Describe how the LEA will monitor and evaluate the implementation and effectiveness of the CSI plan to support student and school improvement.

ISANA Cardinal Academy is not identified for comprehensive support and improvement (CSI) under the Every Student Succeeds Act.

Annual Update

LCAP Year Reviewed: 2018-19

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed.

Goal 1

Goal 1: Students will master the skills of the Common Core State Standards.

State and/or Local Priorities Addressed by this goal:

State Priorities: 1. Basic; 2. Implementation of State Standards; 3. Parent involvement; 4. Pupil achievement; 7. Course access; 8. Other pupil outcomes
 Local Priorities:

Annual Measurable Outcomes

	Expected	Actual															
<p>Performance on statewide CAASPP Assessments and/or Cumulative Internal Benchmarks; Teacher observations; Powerschool; Purchase orders</p>	<p>2018-19 By Spring 2019, all students (including student groups of socioeconomically disadvantaged students, Foster Youth, and English Learners) will increase their proficiency in English Language Arts and Math by 2% over the previous year before as measured by the Smarter Balanced and/or internal assessments</p>	<p>State Measure (Note: 18-19 Smarter Balanced results have not yet been released):</p> <table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th style="width: 30%;"></th> <th style="width: 35%; text-align: center;">Smarter Balanced 16-17 (3rd-8th grade) May 2017</th> <th style="width: 35%; text-align: center;">Smarter Balanced 17-18 (3rd-8th grade) May 2018</th> </tr> </thead> <tbody> <tr> <td>Schoolwide Proficiency</td> <td>ELA-46% MATH-41%</td> <td>ELA-40% MATH-38%</td> </tr> <tr> <td>English Learner Proficiency</td> <td>ELA-27% MATH-27%</td> <td>ELA-46% MATH-39%</td> </tr> <tr> <td>Socioeconomically Disadvantaged Proficiency</td> <td>ELA-42% MATH-38%</td> <td>ELA-36% MATH-39%</td> </tr> <tr> <td>Foster Youth Proficiency</td> <td>N/A</td> <td>N/A</td> </tr> </tbody> </table> <p>Local Measures:</p>		Smarter Balanced 16-17 (3rd-8th grade) May 2017	Smarter Balanced 17-18 (3rd-8th grade) May 2018	Schoolwide Proficiency	ELA-46% MATH-41%	ELA-40% MATH-38%	English Learner Proficiency	ELA-27% MATH-27%	ELA-46% MATH-39%	Socioeconomically Disadvantaged Proficiency	ELA-42% MATH-38%	ELA-36% MATH-39%	Foster Youth Proficiency	N/A	N/A

Foster Youth Proficiency	N/A	N/A

**In 18-19, the school changed assessments systems for ELA and Math, from SchoolNet to i-Ready*

2018-19

Common Core State Standards will be implemented for all students (including student groups of socioeconomically disadvantaged students, Foster Youth and English Learners), as measured by teacher observations.

100% of teacher observed by the school leadership. 100% of teacher taught lessons aligned to CCSS.

2018-19

All students will have access and be enrolled in a broad course of study as described in our charter, as measured by course enrollment in Powerschool.

100% of students were in enrolled in a broad course of study as verified through Powerschool.

2018-19

All students will have access to standards-aligned instructional materials, as measured by proof of purchase.

Standard aligned materials were purchased; Consumables were replaced.

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Goal 1, Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: All</p> <p>Location: All Schools</p> <p>Professional Development for Teaching All Students</p> <p>School leadership team will work with Central Office to develop a yearlong Professional Development Outline/Scope and Sequence for Summer PD, Quarterly PD, and Weekly PD.</p> <p>1. This will provide teachers with intensive training to ensure that standards are understood and supported. Attendance is recorded, resources are uploaded, and evaluations are done on the online My Learning Plan.</p> <p>2. Quarterly PD: Require teachers to attend professional development five times throughout the academic school year to ensure that teachers' instructional strategies reflect an understanding of Common Core standards. During these meetings, review internal benchmark/state standardized testing data, receive training</p>	<p>For Actions/Services not included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: All</p> <p>Location: All Schools</p> <p>Professional Development (PD)for Teaching All Students</p> <p>All planned actions and services were implemented for Action 1.</p> <p>Summer PD: Teachers, as well as paraprofessionals and academic interventionists, attended annual summer training institute in which they received PD on both ELA and math topics as well as others. These staff were also trained in unpacking standards and instructional strategies for increasing student linguistic development in all content areas.</p> <p>Quarterly PD: Teachers, as well as other staff, attended professional development five times throughout the academic school year. During these trainings, staff reviewed recent diagnostic data, continued to receive training on instructional strategies for use across all content areas, and shared best practices.</p> <p>Weekly PD: Weekly professional development was held at the school site and focused on topics such as increasing rigor, cross curricular writing, balanced</p>	<p>\$31,081 - LCFF - 1000-1999 Certificated Salaries - Certificated Salaries for Professional Development</p> <p>\$3,232 - LCFF - 1000-1999 Certificated Salaries - Certificated Administrative Salaries for Professional Development</p> <p>\$8,929 - LCFF - 3000-3999 Employee Benefits - Employee Benefits for Professional Development</p>	<p>\$37,869 - LCFF - 1000-1999 Certificated Salaries - Certificated Salaries for Professional Development</p> <p>\$10,863 - LCFF - 1000-1999 Certificated Salaries - Certificated Administrative Salaries for Professional Development</p> <p>\$7,010 - LCFF - 3000-3999 Employee Benefits - Employee Benefits for Professional Development</p> <p>\$16,685 - LCFF - 5000-5999 Services and Other Operating Expenses - All Day PD Facility/Meals</p>

on strategies, and share best practices, and create classroom and individual action plans that target English Learners, Foster Youth, low-income students, Students with Disabilities, and other significant student groups who are not meeting standards.

3. Weekly PD: Weekly professional development will focus on topics such as integrating rigor into student writing with ELA and Math, rubrics, evidence of literacy and numeracy in room environment, and Lauren Resnicks Principles of Learning. Weekly PD will focus on integrating language arts and math standards across all content areas to increase the level of rigor in the academic program.

4. Grade Level PD: Teachers will regularly examine student work samples at grade level meetings, to ensure that students are mastering grade level standards. Weekly assessment data will be reviewed with the Curriculum Specialist and the teachers to identify students who are not meeting standards. Intervention strategies and follow-up testing is planned with the Curriculum Specialist and the teacher to ensure academic growth of students.

literacy, guided reading and best practices in math.

Grade Level PD: Teachers met in weekly grade level meetings facilitated by Instructional Coaches (formerly Curriculum Specialists). During these meetings they analyzed student work samples, reviewed weekly assessment data and planned intervention strategies for students in the their classes.

Summer and Quarterly PD Location: The 18-19 school year was the first year where all of our staff attended PD together for various Summer PD and Quarterly PD sessions. The purpose of this was to increase and/or reinforce the knowledge and skills of all of our staff, classified and certificated, so that all staff is able to support our students effectively and working towards the common goal of raising student achievement. The increase in the number of staff at PD required ISANA to secure a larger facility as well as increase the amount of food purchased for staff.

Goal 1, Action 2

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners, Foster Youth, Low Income</p>	<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners, Foster Youth, Low Income</p>	<p>\$31,081 - LCFF - 1000-1999 Certificated Salaries - Certificated Salaries for Professional Development \$3,232 - LCFF - 1000-1999 Certificated Salaries -</p>	<p>\$37,869 - LCFF - 1000-1999 Certificated Salaries - Certificated Salaries for Professional Development \$10,863 - LCFF - 1000-1999 Certificated</p>

<p>Scope of Service: Limited to Unduplicated Student Group(s)</p> <p>Location: All Schools</p> <p>Professional Development for Teaching Subgroups</p> <p>School leadership team will work with Central Office team to develop a yearlong Professional Development Outline/Scope and Sequence for Summer PD, Quarterly PD, and Weekly PD with will include topics to address the needs of student groups. We will build in opportunities for collaboration between SPED and General Ed staff throughout professional development sessions.</p> <p>1.Summer PD: Teachers will attend annual summer training institute, which will include a focus on implementing English Language Arts as well as Math Common Core State Standards with student groups. This will provide teachers with intensive training to ensure that teachers understand how to differentiate implementation of the Common Core standards and curriculum to ensure their student groups are able to perform at high levels. Both summer and quarterly PD will include training on addressing the needs of Standard English Learners and high achieving students.</p> <p>2.Quarterly PD: Teachers will attend professional development throughout the academic school year and receive training to ensure that their instructional strategies are</p> <p>continuing to reflect an understanding and implementation of differentiating Common Core State standards for student groups.</p>	<p>Scope of Service: Limited to Unduplicated Student Group(s)</p> <p>Location: All Schools</p> <p>Professional Development for Teaching Student Groups</p> <p>All planned actions and services were implemented for Action 2.</p> <p>Yearlong PD Outlines/Scope and Sequence was developed for Summer PD, Quarterly PD and Weekly PD. Opportunities were built into and throughout the different PD for SPED and Gen ED staff to collaborate.</p> <p>Summer PD: Teachers, and other instructional staff, attended the annual summer training institute, which will included a focus on implementing English Language Arts as well as Math Common Core State Standards with student groups. Teachers received training on specific strategies for increasing all students, and particularly that of English Learners, linguistic development across all content areas. These strategies focused on increasing students opportunity to engage in meaningful, academic conversations with peers, as well as increasing students ability to utilize academic vocabulary. Teachers also participated in training on data driven instruction.</p> <p>Quarterly PD: Teachers, and other instructional staff, attended professional development throughout the academic school year and continued to receive training on different strategies for increasing students linguistic development across all content areas.</p> <p>Weekly PD: Teachers participated in</p>	<p>Certificated Administrative Salaries for Professional Development \$8,929 - LCFF - 3000-3999 Employee Benefits - Employee Benefits for Professional Development</p>	<p>Salaries - Certificated Administrative Salaries for Professional Development \$7,010 - LCFF - 3000-3999 Employee Benefits - Employee Benefits for Professional Development \$16,685 - LCFF - 5000-5999 Services and Other Operating Expenses - All Day PD Facility/Meals (repeated expenditure)</p>
--	--	--	--

<p>In particular, teachers will review internal benchmark/state standardized testing data as it applies to student groups, receive training on strategies, share best practices, and create classroom and individual action plans that target EL students, Foster Youth, low socio-economic students, Special Needs students, and other significant student groups who are not meeting standards.</p> <p>3. Weekly PD: Teachers will attend weekly professional development that will focus on how to differentiate the following topics for subgroups: integrating rigor into student writing with ELA and Math, rubrics, evidence of literacy and numeracy in room environment, and Lauren Resnicks Principles of Learning.</p> <p>4. Grade Level PD: Teachers will regularly examine student subgroup work samples at grade level meetings, to ensure that students from subgroups are mastering grade level standards. Weekly assessment data of students from subgroups will be reviewed with the Curriculum Specialist and the teachers to identify students who are not meeting standards. Intervention strategies differentiated for their subgroup and follow-up testing is planned with the Curriculum Specialist and the teacher to ensure academic growth of students.</p>	<p>weekly professional development focused on differentiating the following topics for student groups: integrating rigor into ELA and Math tasks, rubrics, evidence of literacy and numeracy in room environment, and effective lesson planning.</p> <p>Grade Level PD: Teachers examined work samples at grade level meetings for all students and student groups to ensure that student groups were making progress toward grade level standards. Teachers and Instructional Coaches reviewed assessment data of students from student groups to identify students not meeting standards. Intervention strategies were differentiated for student groups and follow-up assessment was planned with the help of the Instructional Coach to ensure academic growth of students.</p> <p>The 18-19 school year was the first year where all of our staff attended PD together for various Summer PD and Quarterly PD sessions. The purpose of this was to increase and/or reinforce the knowledge and skills of all of our staff, classified and certificated, so that all staff is able to support our students effectively and working towards the common goal of raising student achievement. The increase in the number of staff at PD required ISANA to secure a larger facility as well as increase the amount of food purchased for staff.</p>

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the California School Dashboard, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We were able to implement all the actions/services we planned to achieve Goal 1. Most notably:

ISANA used a substantial amount of Professional Development (PD) time to continue all staff (teachers', paraprofessionals', and academic interventionists') development of instructional strategies that meet the needs of unduplicated pupils and assist students in mastering the Common Core Standards. This training included outside speakers such as CABE (California Association for Bilingual Education) and i-Ready as well as presentations and training by ISANA staff.

Academic and social-emotional intervention occurred through the form of COST, RTI, counseling, and small group instruction. This year, all staff, certificated and classified, received PD on social-emotional related topics such as trauma-informed instruction and Love & Logic.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions and services outlined in the LCAP were effective in supporting the schools goals.

As a result of the PD provided by CABE on strategies for supporting students linguistic development, we observed an increase in the frequency and quantity of opportunities for students to engage in meaningful academic conversations.

Local assessments administered via i-Ready demonstrated student growth for the overall student population and for each student group throughout the year as the percentage of students on grade level rose from Diagnostic Assessment to Diagnostic Assessment (formerly Benchmark Assessments).

In addition, data from Diagnostic Assessments helped us to more effectively identify students in need of academic intervention through the COST process, in turn allowing staff to target the needs of those students more quickly and precisely.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Action 1 and 2: The higher actual expenditures were due to facility and other operating expenses that were a result of providing PD for all staff classified and certificated. The purpose of providing PD to all staff was to increase and/or reinforce the knowledge and skills of all of our staff so that all staff is able to support our students effectively.

Action 3: The lower actual expenditures in Books and Supplies were due to the lower amount of books that needed to be ordered.

Action 4: The higher actual expenditures in Books and Supplies were due to the purchase of our new assessment program, i-Ready. There was also an increase in classified salaries and benefits. This year we included in the LCAP the additional intervention services provided by our Academic Interventionists and SPED Paras. The higher actual expenditures in were due to this inclusion.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

Based on this analysis, analysis of the LCFF Evaluation Rubrics, outcome data and trends from feedback received from stakeholder input, the following changes were made for the 2019-20 LCAP:

Under Actions/Services, the following changes were made:

Action 1: Instead of staff attending 5 days of all-day, ISANA-wide professional development throughout the year, staff will now attend 3 all-day, ISANA-wide professional development days throughout the school year. Based on input from instructional staff regarding having more planning and collaboration time, we have also built into the school calendar six 2-hour PDs to take place at the school site on the first Wednesday of the following months: September, October, November, January (3rd Wednesday), February and March.

Action 5: Based on input from parents and students alike, access to after school tutoring/support will be expanded.

Metrics were reworded for clarity as follows:

- PowerSchool was reworded to Enrollment in a Broad Course of Study
- Purchase Orders was reworded to Access to Standards-Aligned Instructional Materials

Goal 2

Goal 2: English Learners will master the skills of the English Language Development Standards and Common Core State Standards.

State and/or Local Priorities Addressed by this goal:

State Priorities: 1. Basic; 2. Implementation of State Standards; 3. Parent involvement; 4. Pupil achievement; 7. Course access; 8. Other pupil outcomes

Local Priorities:

Annual Measurable Outcomes

Expected	Actual								
<p>English Learner Reclassification Rate; Percentage of English Learners who progress in English Proficiency (as measured by CELDT); Percentage of English Learners who progress in English Proficiency (as measured by Student ELD Portfolio Grades); Smarter Balanced and/or Internal Benchmark Results for English Learners; Teacher observations; Workshop agendas</p> <p>2018-19 At least 80% of English Learners will increase one English Language Development as measured by one of the following metrics: the CELDT/ELPAC, ELD Portfolios, Smarter Balanced, and/or internal assessments.</p>	<table border="1"> <tr> <td data-bbox="1050 123 1864 250">Percentage of students performing at Level 4 (Well Developed) on the ELPAC</td> <td data-bbox="1864 123 1957 250">50%</td> </tr> <tr> <td data-bbox="1050 250 1864 406">Smarter Balanced Results for English Learners in ELA:</td> <td data-bbox="1864 250 1957 406">46%</td> </tr> <tr> <td data-bbox="1050 406 1864 483">Smarter Balanced Results for English Learners in Math:</td> <td data-bbox="1864 406 1957 483">39%</td> </tr> <tr> <td data-bbox="1050 483 1864 584">Internal Diagnostic Assessment (i-Ready) Results for English Learners:</td> <td data-bbox="1864 483 1957 584">46%</td> </tr> </table>	Percentage of students performing at Level 4 (Well Developed) on the ELPAC	50%	Smarter Balanced Results for English Learners in ELA:	46%	Smarter Balanced Results for English Learners in Math:	39%	Internal Diagnostic Assessment (i-Ready) Results for English Learners:	46%
Percentage of students performing at Level 4 (Well Developed) on the ELPAC	50%								
Smarter Balanced Results for English Learners in ELA:	46%								
Smarter Balanced Results for English Learners in Math:	39%								
Internal Diagnostic Assessment (i-Ready) Results for English Learners:	46%								
<p>2018-19 Annual reclassification rate will exceed 10% of English Learners as measured by CALPADS reporting</p>	<p>Reclassification rate exceeded 10%: 23.39%</p>								
<p>2018-19 All English Learners will have access to and be taught the Common Core State Standards and the ELD Standards, as measured by teacher observations.</p>	<p>100% of teacher were observed by school leadership.</p> <p>100% of English Learners had access to the CCSS and ELD standards.</p>								
<p>2018-19 We will increase the percentage of parents trained on academic initiatives by providing a minimum of two workshops annually, as measured by workshop agendas.</p>	<p>A minimum of two parent workshops were held in the 18-19 school year.</p>								

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Goal 2, Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners</p> <p>Scope of Service: LEA-wide</p> <p>Location: All Schools</p> <p>Parent Participation: Hold and translate parent meetings/workshops in topics such as how to support their children's learning, parenting and other family management skills. Prepare and disseminate handbooks and other information to parents to facilitate their participation in school activities and their child's learning in English and Spanish. Host regular District-level English Learner Advisory Committee (DELAC) meetings that are translated in English and Spanish to provide reading and writing strategies, review data of performance for English Learners on interim benchmark tests/State Standardized Tests/CELDT/ELPAC, and to provide training on English Learner supplemental materials such as Reading A-Z materials.</p>	<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners</p> <p>Scope of Service: LEA-wide</p> <p>Location: All Schools</p> <p>Parent Participation:</p> <p>All planned actions and services were implemented for Action 1.</p> <p>Parent meetings were held and translated monthly and included training for parents on how to support their child's learning as well as topics like encouraging behavior in positive ways. Parent handbooks and other information provided to parents was translated.</p> <p>DELAC meetings were held monthly.</p>	<p>\$45,166 - LCFF - 2000-2999 Classified Salaries - Classified Salary (repeated in Goal 1 Action F and G) (repeated expenditure)</p> <p>\$7,487 - LCFF - 3000-3999 Employee Benefits - Classified Benefits (repeated in Goal 1 Action F and G) (repeated expenditure)</p>	<p>\$56,188 - LCFF - 2000-2999 Classified Salaries - Classified Salary (repeated in Goal 1 Actions E and F) (repeated expenditure)</p> <p>\$11,799 - LCFF - 3000-3999 Employee Benefits - Classified Benefits (repeated in Goal 1 Action F and G) (repeated expenditure)</p>

Students to be Served: English Learners

Scope of Service: LEA-wide

Location: All Schools

Extended Learning Opportunities:

Extended day academic opportunities targeting English learner students needing additional support in ELD or mastering content standards. These include activities such as before and after school, intervention, and summer school programs. The After School Expanded Learning program contributes towards the success of English Learner students through the incorporation of a variety of targeted elements centered on increasing the language proficiency of English Language students. Targeted elements will include ongoing professional development for after school program leaders centered on English Learner instruction, full student inclusion in after school programs and activities with opportunities to practice oral English skills, program leader collaboration with day school teachers to stay abreast of student achievement levels, and the incorporation of music development classes such as percussion, string, and wind instruments to promote language development in a least restrictive environment. The school principal and program director will conduct periodic on-site observations to ensure that English Learner students are being held to high expectations and actively participating in the programs and activities designed to ensure their linguistic success.

Students to be Served: English Learners

Scope of Service: LEA-wide

Location: All Schools

Extended Learning Opportunities:

The after school Expanded Learning program operated throughout the year.

Targeted elements included:

- ongoing PD for Expanded Learning program leaders centered on English learner instruction.
- full student inclusion in after school programs and activities with opportunities to engage in meaningful academic discourse.
- program leader collaboration with day school teachers to stay abreast of student achievement levels.
- and the incorporation of music development classes to promote language development in a least restrictive environment.

This year we continued implementation of:

- Read to Lead, a web-based reading program for reading fluency which helps students to articulate what they read in school and at home.

Other collaborations for the 18-19 school year:

- Girls Scouts of America social and emotional life skills.

The school principal and program director conducted periodic on-site observations to ensure that English Learner students were being held to high expectations and

Other Operating Expenses - Expanded Learning Program (repeated in Goal 1 Action E) (repeated expenditure)

Other Operating Expenses - Expanded Learning Program (repeated in Goal 1 Action E) (repeated expenditure)

actively participating in the programs and activities designed to ensure their linguistic success.

Goal 2, Action 3

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners</p> <p>Scope of Service: Limited to Unduplicated Student Group(s)</p> <p>Location: All Schools</p> <p>Data Tracking: ELD Portfolios are maintained for each student that reflect the depth and breadth of his/her work. Student progress will be monitored on an ongoing basis with state and local assessments. The site administrators will work with curriculum specialists and teachers, and teachers will work with each other to analyze assessment data to inform instruction. ELD portfolios and report cards will be updated to reflect the new ELD standards.</p>	<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners</p> <p>Scope of Service: Limited to Unduplicated Student Group(s)</p> <p>Location: All Schools</p> <p>Data Tracking:</p> <p>All planned services and actions were implemented from Action 3.</p> <p>ELD portfolios and report cards were updated to reflect the new ELD standards and EL Proficiency Levels.</p> <p>Portfolios were maintained for each English Learner. Teachers updated ELD portfolios by making note of progress toward mastery of the CA ELD standards and including work samples reflecting student progress and/or mastery.</p> <p>Teachers and leadership teams worked together to disaggregate data after school-wide assessments were administered.</p>	<p>\$0 - LCFF - 3000-3999 Employee Benefits</p>	<p>\$2,000 - LCFF - 1000-1999 Certificated Salaries - Student Data Coordinator Salary (repeated expenditure) \$600 - LCFF - 3000-3999 Employee Benefits - Student Data Coordinator Benefits (repeated expenditure)</p>

Goal 2, Action 4

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners</p> <p>Scope of Service: Limited to Unduplicated Student Group(s)</p> <p>Location: All Schools</p> <p>Professional Development: Regular professional development for teachers and administrators will focus on the following three areas: - supporting Common Core standards-based instruction and instructional strategies that are consistent with ELD pedagogy. - implementing the ELD standards and implementation within the instructional program, including professional development in designated and integrated ELD supports in the curriculum, training in SIOP (Sheltered Instruction Observation Protocol) and other English Development Instruction strategies to help English Learners, and training in the ELPAC, and training and supporting Long Term English Learners. Observations will happen systematically, and feedback will be provided.</p>	<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners</p> <p>Scope of Service: Limited to Unduplicated Student Group(s)</p> <p>Location: All Schools</p> <p>Professional Development-English Learner Focused</p> <p>All planned actions and services were implemented from Action 4.</p> <p>Teachers received PD on a weekly basis on site as well as 2 weeks before the start of the school year and 5 days throughout in district wide professional development.</p> <p>ISANA partnered with CABE (California Association of Bilingual Education) to develop a series of PD Sessions focused on meeting the language needs of English Learners. These sessions occurred during district wide PD and focused on specific instructional strategies for increasing the engagement, oral language, and academic achievement of English Learners. Also discussed was how to effectively implement these strategies in both designated and integrated ELD.</p> <p>In addition to the training providing, ISANA also worked with CABE on developing an observation protocol. School Leadership Teams then used the observation protocol tool to monitor implementation of the the English Language Development strategies.</p>	<p>\$1,500 - Federal Revenues - Title III - 4000-4999 Books and Supplies - SIOP Training</p>	<p>\$7,250 - Federal Revenues - Title III - 4000-4999 Books and Supplies - CABE Training</p>

Goal 2, Action 5

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners</p> <p>Scope of Service: LEA-wide</p> <p>Location: All Schools</p> <p>Teaching Strategies: Vocabulary and background knowledge development are emphasized in each instructional lesson. Visual materials and realia are used extensively throughout the instructional program. Ongoing monitoring of student progress takes place throughout the year, with close attention paid to the achievement of our school-wide goals. The instructional program for the English Learner is fully integrated into the core instructional program and is coordinated with all program and services. Small group instruction will occur with students to ensure that intervention and language development continue to progress for students.</p>	<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners</p> <p>Scope of Service: LEA-wide</p> <p>Location: All Schools</p> <p>Teaching Strategies:</p> <p>All planned action and strategies were implemented from Action 5.</p> <p>As part of their lesson planning, teachers identified important and/or challenging vocabulary as well as background knowledge that students need in order to understand content during a lesson.</p> <p>Teachers continued to incorporate language objectives into their lesson plans. On an ongoing basis, lesson plans are reviewed and lessons observed to ensure that language objectives are included.</p> <p>Visual materials are used to make lessons more accessible to students.</p> <p>Teachers implemented specific ELD strategies in both designated and integrated ELD instruction. Teachers also provide targeted instruction through small group instruction.</p> <p>Teacher and School Leadership analyze data and disaggregate by student group after each Diagnostic (formerly Benchmark) Assessment. Teachers met</p>	<p>\$0</p>	<p>\$0</p>

with each student individual to review their data and progress, set goals and develop an action plan.

Goal 2, Action 6

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners</p> <p>Scope of Service: Limited to Unduplicated Student Group(s)</p> <p>Location: All Schools</p> <p>Band Level and RFEP: Students will be tracked through Powerschool based on their ELD status. Students are moved ELD levels based on their performance on the CELDT, internal benchmark assessments, meeting ELD standards through their ELD level specific folder, and academic performance. As well, students are considered for RFEP based on the criteria in the school's EL Master Plan. All of this data is tracked through Powerschool and Schoolnet. Teachers also document RFEP progress at least 3 times a year using the RFEP Progress Monitoring Tracker form.</p>	<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners</p> <p>Scope of Service: Limited to Unduplicated Student Group(s)</p> <p>Location: All Schools</p> <p>Band Level and RFEP:</p> <p>All planned actions and services were implemented from Action 6.</p> <p>Teachers redesignated and reclassified students based on reclassification criteria. This was reviewed by school administration and documented in PowerSchool.</p>	<p>\$1,872 - LCFF - 5000-5999 Services and Other Operating Expenses - Powerschool</p>	<p>\$3,525 - LCFF - 5000-5999 Services and Other Operating Expenses - Powerschool (repeated expenditure)</p>

Goal 2, Action 7

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>For Actions/Services included as</p>	<p>For Actions/Services included as</p>	<p>\$0</p>	<p>\$0</p>

contributing to meeting Increased or Improved Services Requirement

Students to be Served: English Learners

Scope of Service: LEA-wide

Location: All Schools

Intervention: Long Term English Learners, students who are not moving band levels or being RFEP'd within an appropriate time are identified and additional support through our COST (Coordination of Services Team) and SST (Student Study Team) are provided. Additional tutoring after school is highly suggested and small group instruction within the academic day will be provided for students that are not progressing academically.

contributing to meeting Increased or Improved Services Requirement

Students to be Served: English Learners

Scope of Service: LEA-wide

Location: All Schools

Intervention

All planned actions and services were implemented from Action 7.

The COST and SSPT (formerly SST) program operated throughout the year to provide intervention, as did the after school program.

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the California School Dashboard, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We were able to implement all the actions/services we planned to achieve Goal 2. Most notably:

ELD portfolios and report cards have been updated so that they are aligned with the newer, current ELD standards and EL Proficiency Levels.

Professional Development throughout the year was largely focused on the meeting the needs of English Learners through the implementation of specific instructional strategies for increasing the engagement, oral language and academic achievement of English Learners.

In addition, the Expanded Learning Program once again included English Learner training in their professional development as well.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

The actions and services outlined in the LCAP were effective in supporting the schools goals.

As a result of the PD provided by CAFE on strategies for supporting students linguistic development, we observed an increase in the frequency and quantity of opportunities for students to engage in meaningful academic conversations in the classroom.

Local assessments administered via i-Ready demonstrated an increase throughout the year in English Learners performing on grade level from Diagnostic Assessment to Diagnostic Assessment (formerly Benchmark Assessments).

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Action 4: The higher actual expenditures were due to professional development consulting services which were focused on English Language Development.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

For the 19-20 school year, the goal will remain the same; Outcomes were revised as follows:

Previous	New
<p>By Spring 2018, at least 80% of English Learners will increase one English Language Development performance level and/or will be proficient in English Language Arts as measured by one of the following metrics: the CELDT/ELPAC, ELD Portfolios, Smarter Balanced, and/or internal assessments. As a result, our yearly reclassification rate will exceed 10% of English Learners as measured by CALPADS reporting.</p>	<p>At least 80% of English Learners will remain on-track toward Reclassification as measured by the students number of years enrolled in a U.S. school and their ELPAC Level (Summative ELPAC)</p> <p>Reclassification rate will exceed 10% as measured by CALPADs</p> <p>The percentage of English Learners at proficient on ELA and Math will increase by 2% over the previous year as measured by SBAC and/or internal assessments.</p>
<p>We will increase the percentage of parents trained on academic initiatives by providing a minimum two workshops annually, as measure by workshop agendas.</p>	<p>Increase the number of opportunities for parents/families to receive training on school programs and academic initiatives specifically for parents/families of English Learners, as measured by a minimum of 2 workshops held annually.</p>

Goal 3

Goal 3: All students will be taught by qualified teachers.

State and/or Local Priorities Addressed by this goal:

State Priorities: 1. Basic; 2. Implementation of State Standards; 3. Parent involvement; 4. Pupil achievement; 7. Course access; 8. Other pupil outcomes
Local Priorities:

Annual Measurable Outcomes

Expected	Actual
<p>Teachers Fully Credentialed and Appropriately Assigned (as measured by SARC, HR Internal Data and CALPADS) 2018-19</p> <p>We will have 100% qualified teachers as measured by appropriate credentialing and job assignments.</p>	<p>Percentage of teachers holding credentials appropriate to their job assignment =100%</p>

Actions / Services

Duplicate the Actions/Services from the prior year LCAP and complete a copy of the following table for each. Duplicate the table as needed.

Goal 3, Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners, Foster Youth, Low Income</p> <p>Scope of Service: LEA-wide</p> <p>Location: All Schools</p> <p>Teacher Feedback and Observations: School leadership team will work with each teacher to set goals for the school year. Classroom observations will be conducted to support progress towards these</p>	<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners, Foster Youth, Low Income</p> <p>Scope of Service: LEA-wide</p> <p>Location: All Schools</p> <p>Teacher Feedback and Observations:</p> <p>All planned actions and services were implemented for Action 1.</p> <p>Instructional Coaches (formerly</p>	<p>\$904 - LCFF - 4000-4999 Books and Supplies - My Learning Plan \$69,308 - LCFF - 1000-1999 Certificated Salaries - Curriculum Specialists' Salaries \$19,497 - LCFF - 3000-3999 Employee Benefits - Curriculum Specialists' Benefits</p>	<p>\$857 - LCFF - 4000-4999 Books and Supplies - My Learning Plan \$141,432 - LCFF - 1000-1999 Certificated Salaries - Instructional Coaches' Salaries \$43,844 - LCFF - 3000-3999 Employee Benefits - Instructional Coaches' Benefits</p>

<p>goals. Teachers will be observed on a regular basis through a coaching model by Curriculum Specialists to ensure that multiple, effective instructional strategies are being utilized daily as they instruct their student groups of English Learners, socioeconomically disadvantaged students, and foster youth. Instructional modeling will be conducted by the Curriculum Specialist. The Principal will conduct three formal observations through My Learning Plan a year with pre- and post- conferences with the teacher. Areas of strength and improvement are discussed. Additional Support is provided for newer teachers. School leadership team will also review lesson plans and provide feedback on a weekly basis.</p>	<p>Curriculum Specialists) observed, provided feedback and coached teachers on a regular basis-maintaining documentation throughout.</p> <p>Principals held formal observations and data gained from observations was used to identify trends (areas of growth and need) and inform future professional development.</p>

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the California School Dashboard, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We were able to implement all the actions/services we planned to achieve Goal 3. Most notably:

As a result of the refinement of the Instructional Coaching position, teachers were observed by coaches more frequently, which in turn allowed them to receive feedback on and support to improve their instructional practice on a more regular basis.

Interests and needs surveys for Professional Development were given and analyzed by district and school leadership. Input from these surveys were used to develop and deliver training more targeted towards these interests and needs.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

We were able to enhance the effectiveness of these actions/services from the year before. We maintained high participation in our professional development surveys and conducted a thorough analysis of results with district and school leadership. Input from surveys was used to drive planning for subsequent professional development trainings.

Instructional Coaches received training on Cognitive Coaching to enhance their ability to coach, provide feedback and develop teachers instructional practices.

All teachers who went through the Induction program are on track to pass.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Most budgeted expenditures and estimated actuals were accurate.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

This year ISANA introduced Paycom, a new HR system. Paycom is used for payroll as well as hiring and tracking teacher credentials. The outcome for this goal was revised to include the addition of this system.

Teachers fully credentialed and appropriately assigned, as measured by: SARC, Paycom (HR internal data) and CALPADs.

Goal 4

Goal 4: All students will be educated in learning environments that are safe, drug-free, and conducive to learning.

State and/or Local Priorities Addressed by this goal:

Annual Measurable Outcomes

Expected	Actual
<p>Attendance Rates and Chronic Absenteeism rates from CALPADS, Powerschool, and the California Dashboard/LCFF Evaluation Rubrics; Middle School Dropout Rates from Powerschool and DataQuest; Pupil Suspension and Expulsion rates from PowerSchool, DataQuest, and the California Dashboard/LCFF Evaluation Rubrics; Surveys of Certificated staff, Classified staff, Parents/families, and pupils on the sense of safety, school connectedness, an academics from SurveyMonkey; School facilities update and maintenance data from annual FIT (Facilities Inspection Tool)</p> <p>2018-19 By Spring 2019, our suspension rate will have decreased by 1% from the previous year and/or maintained under 5% as measured by Dataquest, Powerschool, and the California Dashboard/LCFF Evaluation Rubrics.</p>	<p>Suspension rate decreased from .28% in 2017-2018 to 0% in 2018-2019 and maintained under 5%.</p>
<p>2018-19 By Spring 2019, our expulsion rate will maintain under 0.5% as measured by Dataquest, Powerschool, and the California Dashboard/LCFF Evaluation Rubrics.</p>	<p>Expulsion rate maintained at 0%.</p>
<p>2018-19 By Spring 2019, our attendance rates (ADA) will maintain over 95% as measured by CALPADS reporting and Powerschool.</p>	<p>Attendance rate maintained above 95% (97%).</p>

<p>2018-19 By Spring 2019, our chronic absenteeism rate will decrease by 1% from previous year and/or maintain under 3% as measured by Powerschool and the California Dashboard/LCFF Evaluation Rubrics.</p>	<p>Chronic Absenteeism increased from 0.84% in 17-18 to 2.99% in 18-19.</p>
<p>2018-19 By Spring 2019, our middle school dropout rate will maintain under 0.5% as measured by DataQuest and Powerschool.</p>	<p>Middle School dropout rate maintained at 0%.</p>
<p>2018-19 By Spring 2019, we will maintain clean and safe facilities as measured by an overall score of Good or better on the FIT (Facilities Inspection Tool).</p>	<p>FIT Score: Good</p>
<p>2018-19 By Spring 2019, we will score at least 3/5 on 80% of the questions asked on local surveys on the sense of school safety and connectedness for pupils, parents, and teachers, and the number of parents/families completing the School input survey will increase from the year before by at least 2%.</p>	<p>The school score at least 3/5 on 80% or more of the questions asked for certificated, classified, students and parents.</p> <p>The number of survey participants increased by at least 2%.</p>

Actions / Services

Goal 4, Action 1

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners, Foster Youth, Low Income</p> <p>Scope of Service: LEA-wide</p> <p>Location: All Schools</p> <p>Positive Discipline: A comprehensive approach to student discipline, focused on the needs of unduplicated students, is executed to promote a positive learning environment. These programs include Love & Logic and the Celerity Peace Tree. Weekly professional developments for classified staff are held to address positive discipline, cleanliness, safety, and systems in place to promote a nurturing learning environment. Classified staff will also receive training on Love & Logic /Celerity Peace Tree before the start of the school year. New staff will also receive training on Love & Logic/Celerity Peace Tree while returning staff will receive training on these topics that builds on last years trainings. These programs are an alternative to suspension.</p>	<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners, Foster Youth, Low Income</p> <p>Scope of Service: LEA-wide</p> <p>Location: All Schools</p> <p>Positive Discipline:</p> <p>All planned actions and services were implemented for Action 1.</p> <p>In addition, all school staff received training and professional development on Love & Logic and the ISANA Peace Tree as well as other positive behavior supports throughout the year. Workshops on these topics were held for parents and families.</p>	<p>\$53,089 - LCFF - 2000-2999 Classified Salaries - Classified Salaries</p> <p>\$8,772 - LCFF - 3000-3999 Employee Benefits - Classified Employee Benefits</p>	<p>\$83,336 - LCFF - 2000-2999 Classified Salaries - Classified Salaries</p> <p>\$17,501 - LCFF - 3000-3999 Employee Benefits - Classified Employee Benefits</p> <p>\$666 - LCFF - 5000-5999 Services and Other Operating Expenses - All Day PD Keynote Speaker</p>

Goal 4, Action 2

Planned Actions/Services	Actual Actions/Services	Budgeted Expenditures	Estimated Actual Expenditures
-----------------------------	----------------------------	--------------------------	----------------------------------

<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners, Foster Youth, Low Income</p> <p>Scope of Service: LEA-wide</p> <p>Location: All Schools</p> <p>Parent Involvement: The school communicates with parents through a variety of ways. Every teacher has a cell phone so that parents have access to him/her in order to communicate about their children. Parents have access to teachers email addresses as well. The school holds monthly parent meetings to communicate the direction of the school, communicate information, and to elicit input from the parents. Parents also have access to Power School, our school information system, which allows them to see the grade book, benchmarks data, attendance, and projects. DELAC meetings are conducted monthly to inform parents of EL progress within core academic subjects. General parent meetings and School Site Council meetings will provide additional support and guidance to Foster Youth guardians. In addition, the school upholds an open door policy and if additional assistance is needed, then Foster Youth or EL Parents can request a meeting with the Principal.</p>	<p>For Actions/Services included as contributing to meeting Increased or Improved Services Requirement</p> <p>Students to be Served: English Learners, Foster Youth, Low Income</p> <p>Scope of Service: LEA-wide</p> <p>Location: All Schools</p> <p>Parent Involvement:</p> <p>All planned actions and services were implemented for Action 2.</p> <p>DELAC meetings were conducted monthly to inform parents of EL progress within core academic subjects.</p> <p>General parent meetings and School Site Council meetings were held monthly and provide additional support and guidance to Foster Youth guardians.</p> <p>The school maintained communication with families through newsletters, social media, school-wide assemblies and events, as well as through other forms.</p> <p>The school continued to uphold an open door policy.</p>	<p>\$1,872 - LCFF - 5000-5999 Services and Other Operating Expenses - Powerschool</p>	<p>\$3,525 - LCFF - 5000-5999 Services and Other Operating Expenses - Powerschool (repeated expenditure)</p>

Analysis

Complete a copy of the following table for each of the LEA's goals from the prior year LCAP. Duplicate the table as needed. Use actual annual measurable outcome data, including performance data from the California School Dashboard, as applicable.

Describe the overall implementation of the actions/services to achieve the articulated goal.

We were able to implement all the actions/services we planned to achieve Goal 4. Most notably:

All staff (certificated and classified) received training in Love & Logic as well as other positive behavior supports. Workshops regarding social-emotional well-being were also held for parents/families to attend.

An Attendance Improvement Task force was formed to analyze attendance trends and help develop solutions to improve attendance and implement best attendance improvement practices as well as to create a culture wherein students are excited to be at school and families understand the critical importance of regular school attendance.

Describe the overall effectiveness of the actions/services to achieve the articulated goal as measured by the LEA.

COST (Coordination of Services Team) continued to be effective in ensuring students continued to receive Tier 1 intervention as needed allowing for more students to be serviced.

We saw an increase in the use of Love & Logic strategies and other positive behavior supports. Staff that received training on social emotional topics shared positive feedback on the training.

As a result of the above, we saw a low number of student behavior incidents and we have met our goal in maintaining suspensions under 3% and expulsions at 0%.

Attendance meetings and supports have also proved effective in helping us meet our goal of maintaining an ADA (average daily attendance) above 95%.

In the spring of this school year, we formed the Attendance Improvement Task Force to help address chronic absenteeism. The Attendance Improvement Task Force will be in full force for the 19-20 school year. The team is currently working on developing:

- A comprehensive resource guide for families. This guide will include information for support services such as mental health services, parent support groups or classes, substance abuse counseling, tutoring, food banks, homeless shelters and housing resources, gang prevention or intervention, vocational support, recreational opportunities, and health insurance access
- A bank of attendance campaigns, recognition programs, and ideas for all stakeholders to communicate/teach attendance to students and families.
- A resource guide for preparing, holding, and following up with parent/family Attendance Improvement Meetings.

Explain material differences between Budgeted Expenditures and Estimated Actual Expenditures.

Most budgeted expenditures and estimated actuals were accurate.

Describe any changes made to this goal, expected outcomes, metrics, or actions and services to achieve this goal as a result of this analysis and analysis of the California School Dashboard, as applicable. Identify where those changes can be found in the LCAP.

This year, ISANA formed the Attendance Improvement Task Force to support students who are chronically absent or at-risk for chronic absenteeism. This was added to Action 3 (Attendance Meetings and Support).

Stakeholder Engagement

LCAP Year: 2019-20

Involvement Process for LCAP and Annual Update

How, when, and with whom did the LEA consult as part of the planning process for this LCAP/Annual Review and Analysis?

Throughout this school year, we involved and met with stakeholders on a regular basis as part of the planning process for this LCAP/Annual Review and Analysis. We used these meetings to analyze our progress towards our goals and review and reflect on the current year plan (Annual Update). At these meetings, stakeholders were presented and discussed progress made toward the goals (based on data from the metrics to that point) and how/if actions and services should be revised based on quantitative and qualitative data. Information was provided and received in English and Spanish. Their input helped formulate the Annual Update and provide quantitative information. We then made changes to our LCAP to incorporate this input and presented these changes to our stakeholders. These stakeholders included Principals, the Administrative Team (including Office Manager, Community Liaison, and Central Office Staff), Certificated Staff (including Teachers, Instructional Coaches, Instructional Coaches/Administrators in Training, Resource Teachers, School Psychologists, and School Counselors), Classified Staff (including Yard Staff, After School Staff, Paraprofessionals, Interventionists, Special Education 1-1 Aids, and Office Clerks), Students (including unduplicated pupils and other numerically significant student groups), Parents (including parents of unduplicated pupils and other numerically significant student groups), and the ISANA Board. In particular:

- **Principals and the leadership team** analyzed data for all metrics 6 times a year to present to stakeholders.
- **ISANA Governing Board** – At bimonthly regularly scheduled governing board meetings (6 times a year), the board analyzed updates on progress towards LCAP Goals, including: Student achievement based on benchmark and other assessments, English Learner progress and reclassification, data on metrics for student attendance and discipline, facilities updates, and updates on teachers' qualified status. These meetings occurred on: 8/7, 10/1, 12/3, 2/6, 4/3, and 6/5.
- **Parents** – Parents were engaged in updates on the school's progress in a variety of ways:
 - **Monthly Parent Meetings:** At monthly parent meetings the school presented and/or gained input on topics such as student achievement based on benchmark and other assessments, student achievement for all student groups, updates on repairs and improvements being made to facilities, updates on teacher hiring, parent training on school programs, including technology
 - **Monthly School Site Council Meetings:** The school site council gave parents an opportunity to delve more deeply into analyzing students' academic progress.
 - **Monthly District English Learner Advisory Council (DELAC) Meetings:** DELAC meetings gave parents an opportunity to delve more deeply into analyzing English Learners' progress.
 - **Monthly Parent Advisory Council (PAC) Meetings:** PAC meetings gave parents an opportunity to delve more deeply into issues of school safety, technology, teachers, and curriculum.
- **Certificated Staff** (Teachers, Instructional Coaches (IC), Instructional Coaches/Administrators in Training (ICAT), Resource Teachers, Psychologists, Counselors) – After each diagnostic assessment, certificated staff across all schools in the district met to analyze student and student data. This was followed by creating action plans, and meeting weekly in the following professional developments: weekly grade level meetings, weekly site based meetings, school leadership meetings, weekly IC/ICAT meetings, regular Pupil Services meetings. Also in professional development, administrators presented on progress towards meeting LCAP goals.
- **Classified Staff and After School Staff Meetings** - At weekly classified staff and after school staff meetings, administrators monitored with staff school safety, student discipline, and campus climate, and set goals to work on. After school also met in professional development bimonthly to monitor progress on student achievement and school climate in the afterschool program.

- **Students** – Prior to each benchmark exam, students in all classes collaborated and conferred with their teacher to create personal growth goals based on prior district assessment goals.

Trainings:

Starting in February, ISANA informed the community and all stakeholders about the opportunities to provide feedback and input on the LCAP. Stakeholders attended trainings in which an administrator presented a PowerPoint that explained the LCFF, the LCAP, how to read and interpret the eight state priority areas, and how our four goals fall into these priority areas. Meetings were designed to be interactive - stakeholders provided written and/or oral input, through group discussion and online surveys, on what made the biggest positive difference at the school, and supports they needed to achieve the goals. Information was provided and received in English and Spanish. Their input helped formulate the LCAP document and provided quantitative as well as qualitative information. We then made changes to our LCAP to incorporate this input and presented these changes to our stakeholders.

In particular:

- Leadership representatives attended a series of trainings on the LCAP from February-April hosted by LACOE. These trainings included updates to the template, the California Dashboard, and best practices.
- Leadership representatives from the school, including the principal, attended a series of training and planning sessions at ISANA Central Offices. These trainings included:
 - 3/19 Training on the California Dashboard, both on navigating it and using the information from the Dashboard to update the LCAP
 - 3/26 Training – Reviewed Goal 3 and 4. Meetings with Technology team. Analyzed our overall implementation and effectiveness, and decided if we wanted to make changes for next year.
 - 4/2 Training – Reviewed Goal 2. Budgeting Process. Analyzed our overall implementation and effectiveness, and decided if we wanted to make changes for next year.
 - 4/23 Training- Reviewed Goal 1 Goal, Metric, Outcome, and Actions and Services. Analyzed our overall implementation and effectiveness, and decided if we wanted to make changes for next year.
 - 5/7 Training – Analyzed and summarized Stakeholder survey results
- The Administrative Team (Office managers, Community Liaisons, Principals, and Central Office staff) were trained and their input gathered in a training on May 2nd. The follow up meeting in which we shared the results of their feedback occurred on May 30th.
- Certificated Staff (Teachers, Instructional Coaches, Instructional Coaches/Administrators in Training, Resource Specialists, School, Psychologists, and School Counselors) were trained and their input gathered in a meeting on April 3rd. The follow up meeting in which we shared the results of their feedback occurred on May 29th.
- Classified Staff (Yard Staff, After School Staff, Office Clerks, Special Education 1-1 Aids, Reading Interventionists, and Paraprofessionals) were trained and their input gathered. These trainings occurred on April 5th and April 24th. The follow up meeting in which we shared the results of their feedback occurred on May 22nd, May 23rd, and May 24th.
- Students were trained and their input gathered on April 11th. We made sure to include unduplicated students, numerically significant student groups, and students of different ages. The follow up meeting in which we shared the results of their feedback occurred on May 23rd.
- Parents were trained and their input gathered in a training on March 28th. The follow up meeting in which we shared the results of their feedback occurred on May 23rd. The public was also notified of the opportunity to attend the meetings to provide input.
- ISANA Governing Board received training on the LCAP at each regularly scheduled board meeting (6 times a year).

We have significantly increased our participation rate of stakeholders in this process from last year, a testament to our commitment to involve as many people as possible.

- Board Approval
 - LCAP adopted at regularly scheduled governing board meeting on June 4th.
- Availability/Accessibility of LCAP

- o Draft goals of LCAP available in the office within the parent information area May 26th.
- o Complete LCAP draft available in the office within the parent information area June 1st. Board agenda showing LCAP agendized publicly available 72 hours before board meeting. LCAP Summary is translated in English and Spanish.

Impact on LCAP and Annual Update

How did these consultations impact the LCAP for the upcoming year?

After gathering input from all stakeholders, we analyzed this data for trends and used these trends to update our LCAP Goals, Outcomes, Actions, and Services. These revisions included:

Goal 1:

The following metrics were renamed:

- PowerSchool- renamed Enrollment in a Broad Course of Study
- Purchase Orders-renamed Access to Standards Aligned Instructional Materials
- The following actions/services were remove:
- Action 7-Translation for Parent Involvement was moved to Goal 2 for better goal alignment

Goal 2:

The following outcomes were revised:

- Previous Outcome: By Spring 2018, at least 80% of English Learners will increase one English Language Development performance level and/or will be proficient in English Language Arts as measured by one of the following metrics: the CELDT/ELPAC, ELD Portfolios, Smarter Balanced, and/or internal assessments. As a result, our yearly reclassification rate will exceed 10% of English Learners as measured by CALPADS reporting.
- New Outcomes(s):
 - o At least 80% of English Learners will remain on-track toward Reclassification as measured by the student's number of years enrolled in a U.S. school and their Summative ELPAC Level
 - o The percentage of English Learners at proficient on ELA and Math will increase by 2% over the previous year as measured by SBAC and/or internal assessments.
 - o Reclassification rate will exceed 10% as measured by CALPADs
- Previous Outcome: We will increase the percentage of parents trained on academic initiatives by providing a minimum two workshops annually, as measure by workshop agendas.
- New Outcome: Increase the number of opportunities for parents/families to receive training on school programs and academic initiatives specifically for parents/families of English Learners, as measured by a minimum of 2 workshops held annually.

The following actions were added:

- Action 7-Translation for Parent Involvement for better goal alignment

Goals, Actions, & Services

Strategic Planning Details and Accountability

Professional Development (PD) for Teaching All Students
School leadership team will work with Central Office team to develop a yearlong Professional Development Outline/Scope and Sequence for Summer PD, Trimesterly/ Monthly PD, and Weekly PD and include topics to address the needs of student groups. We will build in opportunities for collaboration between SPED and General Ed staff throughout professional development sessions.

teachers' instructional strategies reflect an understanding of Common Core standards. During these meetings, review internal benchmark/state standardized testing data, receive training on strategies, and share best practices, and create classroom and individual action plans that target English Learners, Foster Youth, low-income students, Students with Disabilities, and other significant student groups who are not meeting standards. 3. Weekly PD: Weekly professional development will focus on topics such as integrating rigor into student writing with ELA and Math, rubrics, evidence of literacy and numeracy in room environment, and Lauren Resnicks Principles of Learning. Weekly PD will focus on integrating language arts and math standards across all content areas to increase the level of rigor in the academic program. 4. Grade Level PD: Teachers will regularly examine student work samples at grade level meetings, to ensure that students are mastering grade level standards. Weekly assessment data will be reviewed with the Curriculum Specialist and the teachers to identify students who are not meeting standards. Intervention strategies and follow-up testing is planned with the Curriculum Specialist and the teacher to ensure academic growth of students.

ensure that standards are understood and supported. Attendance is recorded, resources are uploaded, and evaluations are done on the online My Learning Plan.

2. Quarterly PD: Require teachers to attend professional development five times throughout the academic school year to ensure that teachers' instructional strategies reflect an understanding of Common Core standards. During these meetings, review internal benchmark/state standardized testing data, receive training on strategies, and share best practices, and create classroom and individual action plans that target English Learners, Foster Youth, low-income students, Students with Disabilities, and other significant student groups who are not meeting standards.

3. Weekly PD: Weekly professional development will focus on topics such as integrating rigor into student writing with ELA and Math, rubrics, evidence of literacy and numeracy in room environment, and Lauren Resnicks Principles of Learning. Weekly PD will focus on integrating language arts and math standards across all content areas to increase the level of rigor in the academic program.

4. Grade Level PD: Teachers will regularly examine student work samples at grade level meetings, to ensure that students are mastering grade level standards. Weekly assessment data will be reviewed with the Curriculum Specialist and the teachers to identify students who are not meeting standards. Intervention strategies and follow-up testing is planned with the Curriculum Specialist and the teacher to ensure academic growth of students.

Summer PD: Provide professional development for all teachers and other instructional staff in instructional strategies for increasing student achievement in all content areas, with an increased focus in English Language Arts (ELA) and Math.

Provide PD to teachers on developing and delivering CCSS- and NGSS- aligned instruction to high-needs and/or struggling students and all other student groups.

Trimesterly PD: Teachers, and other staff will attend ISANA-wide professional development 3 times throughout the academic school year. During these trainings, staff will review and analyze data, receive training on instructional strategies for use across all content areas, and share best practices.

Monthly PD: Teachers, and other instructional staff, will participate in a 2-hour PD/grade level collaboration session on a monthly basis.

Weekly PD: Teachers, and other instructional staff will receive PD on topics such as increasing rigor, project based learning, writing instruction, creating a print rich environment, balanced literacy, mathematical practices and others.

Grade Level PD: Teachers will regularly examine student work samples and data at grade level meetings, to ensure that students are mastering grade level standards. Teachers will work with Instructional Coaches to identify students who are not meeting standards and plan intervention strategies to ensure students growth.

For all PDs provided, staff attendance is recorded, resources are uploaded to a centralized location and participants complete surveys to provide feedback on the training/PD received.

Actions/Services**2017-18**

Select from New Action, Modified Action, or Unchanged Action:

Modified Action

A. Professional Development for Teaching All Students 1. Summer PD: Teachers attend annual summer training institute, which will include focus on English Language Arts as well as Math. This will provide teachers with intensive training to ensure that standards are understood and supported. Attendance is recorded, resources are uploaded, and evaluations are done on the online My Learning Plan. 2. Quarterly PD: Require teachers to attend professional development five times throughout the academic school year to ensure that teachers' instructional strategies reflect an understanding of Common Core standards. During these meetings, review internal benchmark/state standardized testing data, receive training on strategies, and share best practices, and create classroom and individual action plans that target English Learners, Foster Youth, low-income students, Students with Disabilities, and other significant student groups who are not meeting standards. 3. Weekly PD: Weekly professional development will focus on topics such as integrating rigor into student writing with ELA and Math, rubrics, evidence of literacy and numeracy in room environment, and Lauren Resnicks Principles of Learning.

2018-19

Select from New Action, Modified Action, or Unchanged Action:

Modified Action

B. Professional Development for Teaching Subgroups

School leadership team will work with Central Office team to develop a yearlong Professional Development Outline/Scope and Sequence for Summer PD, Quarterly PD, and Weekly PD with will include topics to address the needs of student groups. We will build in opportunities for collaboration between SPED and General Ed staff throughout professional development sessions.

1. Summer PD: Teachers will attend annual summer training institute, which will include a focus on implementing English Language Arts as well as Math Common Core State Standards with student groups. This will provide teachers with intensive training to ensure that teachers understand how to differentiate implementation of the Common Core standards and curriculum to ensure their student groups are able to perform at high levels. Both summer and quarterly PD will include training on addressing the needs of Standard English Learners and high achieving students.

2019-20

Professional Development (PD) for Teaching Student Groups

School leadership team will work with Central Office team to develop a yearlong Professional Development Outline/Scope and Sequence for Summer PD, Trimesterly/ Monthly PD, and Weekly PD and include topics to address the needs of student groups. We will build in opportunities for collaboration between SPED and General Ed staff throughout professional development sessions.

Summer PD: Provide professional development for all teachers and other instructional staff in instructional strategies for increasing student achievement in all content areas, with an increased focus in English Language Arts (ELA) and Math. Teachers will receive training on how to differentiate for students learning needs in order to ensure student groups mastery of the Common Core State Standards and NGSS..

Provide PD to teachers on developing and delivering CCSS- and NGSS- aligned instruction to high-needs and/or struggling students and all other student groups.

Weekly PD will focus on integrating language arts and math standards across all content areas to increase the level of rigor in the academic program. 4. Grade Level PD: Teachers will regularly examine student work samples at grade level meetings, to ensure that students are mastering grade level standards. Weekly assessment data will be reviewed with the Curriculum Specialist and the teachers to identify students who are not meeting standards. Intervention strategies and follow-up testing is planned with the Curriculum Specialist and the teacher to ensure academic growth of students.

2. Quarterly PD: Teachers will attend professional development throughout the academic school year and receive training to ensure that their instructional strategies are continuing to reflect an understanding and implementation of differentiating Common Core State standards for student groups. In particular, teachers will review internal benchmark/state standardized testing data as it applies to student groups, receive training on strategies, share best practices, and create classroom and individual action plans that target EL students, Foster Youth, low socio-economic students, Special Needs students, and other significant student groups who are not meeting standards.

3. Weekly PD: Teachers will attend weekly professional development that will focus on how to differentiate the following topics for subgroups: integrating rigor into student writing with ELA and Math, rubrics, evidence of literacy and numeracy in room environment, and Lauren Resnicks Principles of Learning.

4. Grade Level PD: Teachers will regularly examine student subgroup work samples at grade level meetings, to ensure that students from subgroups are mastering grade level standards. Weekly assessment data of students from subgroups will be reviewed with the Curriculum Specialist and the teachers to identify students who are not meeting standards. Intervention strategies differentiated for their subgroup and follow-up testing is planned with the Curriculum Specialist and the teacher to ensure academic growth of students.

Trimesterly PD: Teachers, and other staff will attend ISANA-wide professional development 3 times throughout the academic school year. During these trainings, staff will review and analyze student group data, receive training on instructional strategies for use across all content areas, share best practices and develop action plans to target the needs of student groups.

Monthly PD: Teachers, and other instructional staff, will participate in a 2-hour PD/grade level collaboration session on a monthly basis.

Weekly PD: Teachers, and other instructional staff will receive PD on how to differentiate the following topics for student groups: increasing rigor, project based learning, creating a print rich environment, balanced literacy, mathematical practices and others.

Grade Level PD: Teachers will regularly examine student work samples and data at grade level meetings, to ensure that all student groups are mastering grade level standards. Teachers will work with Instructional Coaches to identify students who are not meeting standards and plan intervention strategies to ensure students growth.

For all PDs provided, staff attendance is recorded, resources are uploaded to a centralized location and participants complete surveys to provide feedback on the training/PD received.

D. Intervention: Celerity provides small group instruction as a form of intervention during the school day for students not meeting proficiency. Students scoring below grade-level and/or not demonstrating proficiency in grade-level standards are tutored in small groups during the instructional day. Students to be taught in small groups are identified using data from sources such as: Study Island, Smarter Balanced scores, curriculum-based assessments, SchoolNet, running records, and fluency assessments. The students identified for small group tutoring will be placed in skills-based flexible groups and will receive additional assistance from their teachers in strategies depending on students' needs. The Reading A to Z Guided Reading Program, as well as ST Math will be used for this. Foster youth, English Learners and socioeconomically disadvantaged students and students who need additional time to complete computer based programs will have additional access to the program during before or after school hours.

D. Intervention: Celerity provides small group instruction as a form of intervention during the school day for students not meeting proficiency. Students scoring below grade-level and/or not demonstrating proficiency in grade-level standards are tutored in small groups during the instructional day. Students to be taught in small groups are identified using data from sources such as: Smarter Balanced scores, curriculum-based assessments, SchoolNet, running records, and fluency assessments. The students identified for small group tutoring will be placed in skills-based flexible groups and will receive additional assistance from their teachers in strategies depending on students needs. The Reading A to Z Guided Reading Program, as well as ST Math will be used for this. Foster students, EL students and students who need additional time to complete computer based programs will have additional access to the program during before or after school hours. We will continue to develop the skills and knowledge of our Paraprofessional and RTI instructors by developing a yearlong outline/scope sequence for training.

Intervention:

ISANA provides a variety of learning supports including differentiated instruction and intervention in the form of small group instruction during the school day for students not meeting proficiency.

Students scoring below grade-level and/or not demonstrating proficiency in grade-level standards are provided with targeted instruction in small groups during the instructional day.

Students to be taught in small groups are identified using data from sources such as: state testing results, curriculum-based assessments, Diagnostic assessments, running records, and fluency assessments. The students identified for small group tutoring are placed in skills-based flexible groups and will receive additional assistance from their teachers in strategies depending on students needs.

Programs such as Reading A-Z, i-Ready and ST Math are used for students needing intervention.

Foster students, English Learners and students who need additional time to complete computer based programs will have additional access to the program during, before, or after school hours.

We will continue to develop the skills and knowledge of our paraprofessional and academic interventionists by developing a yearlong outline/scope sequence for training.

<p>J. Technology: Computer Maintenance: Due to lack of technology in the homes of students who come from a low economic household, we will ensure all students from low economic backgrounds have access to computers and headphones. Computers will undergo regularly scheduled maintenance to ensure full functionality for student use. This includes constant updates on the computers to get full use of the newer technology, as well updates to help secure the computers. As computers are reported not working, they are fixed. The use of computers also assists with taking the computer-based Smarter Balanced exam as well as online Internal Benchmarks. Additionally, students have access to free tutorial programs such as Star Fall to help increase student achievement. Students who do not have access to computers at home are given access to computers before or after school.</p>		<p>Technology-Computer Maintenance:</p> <p>Computer maintenance will be ongoing throughout the year to ensure all students, including those come from a low income households, have access to computers and other tech equipment such as headphones or speakers. Select from New Action, Modified Action, or Unchanged Action:

Modified Action

G. Intervention: Long Term English Learners, students who are not moving band levels or being RFEP'd within an appropriate time are identified and additional support through our COST (Coordination of Services Team) and SST (Student Study Team) are provided. Additional tutoring after school is highly suggested and small group instruction within the academic day will be provided for students that are not progressing academically.

Modified Action

Behavioral and Academic Intervention:
The school psychologist, school counselor, and resource specialists provide a system of personal support services for students.

Through the use of COST (Coordination of Services Team) and SSPT (Student Support and Progress Team), students have readily available access to support services.

Foster Youth, English Learners, and

Particular attention will be paid to older students.		socioeconomically disadvantaged students have access to COST, SSPT, and support services on an as needed basis. Particular attention will be paid to older students.

Demonstration of Increased or Improved Services for Unduplicated Pupils

LCAP Year: 2019-20

Estimated Supplemental and Concentration Grant Funds:

\$1,938,925

Percentage to Increase or Improve Services:

34.77%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds ([see instructions](#)).

The services provided for unduplicated pupils as described below (a combination of services limited to unduplicated students and services identified as LEA-wide but principally directed to and effective in meeting goals for unduplicated students) result in the required proportional increase (quantitative growth of services) or improvement (qualitative growth in services) in services for unduplicated pupils.

- Actions/Services Contributing to meeting the increased or improved services and identified as Limited to Unduplicated Student Group(s). (ie. the action/service being funded and provided is limited to the unduplicated students identified in “Students to be Served”)
 - Goal 1:
 - Action 2 - This action describes professional development for teachers limited to teaching unduplicated student groups such as English Learners, socioeconomically disadvantaged students, and foster youth. Examples of these professional developments are how to differentiate implementation of the Common Core Standards for the student group, and how to create data-driven action plans and plan next instructional steps for the student group.
 - Action 7 - This action describes translation for parent involvement, particularly for parents of English learners.
 - Action 10 - This action describes how we will ensure all students from socioeconomically disadvantaged backgrounds have access to computers, due to a lack of technology in the homes of students who come from socioeconomically disadvantaged backgrounds.
 - Action 11 - This action describes particular conferences and guest speakers on teaching students from low socioeconomic backgrounds.
 - Goal 2:
 - Action 6 - This action describes how we track English Learners' progress through language proficiency levels.
- Actions/Services Contributing to meeting the increased or improved services and identified as LEA-wide. (ie. the action/service is being funded and provided to upgrade the entire educational program of the LEA)
 - Note: As our LEA has an unduplicated pupil percentage significantly higher than 80% below we will describe how these services are principally directed to and effective in meeting its goals for unduplicated pupils in the state and any local priorities.
 - Goal 1:
 - Action 4 - This action describes intervention during the school day for students not meeting proficiency. This intervention is principally targeted to and based on the needs of unduplicated students. As their data is analyzed, particular intervention lessons are designed for them with their particular needs in mind. This has proven extremely effective in raising the achievement scores of our unduplicated students.

- Action 6 - This action describes our various councils for parent involvement, and how we share achievement results with and gather input from these councils. We primarily focus on our unduplicated students in these meetings. Connecting with these families has proven an important tool in raising the achievement of unduplicated students.
- Goal 2:
 - Action 1 - This action describes workshops for parents on student learning, and in particular the DELAC (District English Learner Advisory Council), which focuses on the needs of English Learners. Knowledge of the information we share in these meetings has helped parents raise the achievement of their children.
- Goal 3:
 - Action 1 - This action focuses on teacher observation and feedback. As part of this observation, we focus on the teacher's instruction of the unduplicated students in his/her class. This focus has positively impacted unduplicated students' achievement.
- Goal 4:
 - Action 1 - This action describes our positive discipline approach of Love and Logic and Peace Tree, two programs that are designed with the particular needs of unduplicated students in mind. These programs have created effective behavioral supports for our unduplicated students.
 - Action 2 - This action describes how we communicate with parents of unduplicated students. This has proven effective as is shown in our input survey results.
 - Action 3 - This action describes how we provide support for attendance for students, by giving particular support through phone calls and meetings tailored to the needs of unduplicated students. This support has proven effective in maintaining a high Average Daily Attendance.

LCAP Year: 2018-19

Estimated Supplemental and Concentration Grant Funds:

\$968,034

Percentage to Increase or Improve Services:

33.00%

Describe how services provided for unduplicated pupils are increased or improved by at least the percentage identified above, either qualitatively or quantitatively, as compared to services provided for all students in the LCAP year.

Identify each action/service being funded and provided on a schoolwide or LEA-wide basis. Include the required descriptions supporting each schoolwide or LEA-wide use of funds ([see instructions](#)).
