

ISANA Achernar Academy

School Accountability Report Card Reported Using Data from the 2017—18 School Year California Department of Education

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

ISANA Achernar Academy operates a high quality school in the historically underserved area of Compton. The mission of ISANA Achernar Academy is to provide a school where students will thrive in an atmosphere of high expectations and engaging curriculum with challenging learning activities. In accordance with our mission, we enroll students from communities in need. The community surrounding ISANA Achernar Academy is growing rapidly and is highly impacted. The school opened in August of 2016 with 493 students in transitional kindergarten through eighth grade. Per the CDE, for the 2017-2018 school year, ISANA Achernar Academy had 486 students from Transitional Kindergarten through eighth grade. Over 98% of ISANA Achernar Academy's students qualify for the free or reduced lunch program; at least 27.8% of the children are English Learners. Students at the school are mostly African-American (40.7%) and Latino (58.4%).

Our dedication to low income communities has allowed us to develop an instructional model designed to meet the needs of these communities. ISANA Achernar Academy has developed a reputation for high academic standards, experienced and caring staff members, as well a commitment to its students. Students have an opportunity to be challenged in an environment where high expectations and academic excellence are non-negotiable. Students benefit from a small, safe school environment where a respect for each other and each other's differences prevail. They benefit from an environment where parents and teachers work in partnership to meet student achievement goals.

School Description and Mission Statement (School Year 2018—19)

Mission:

The mission of ISANA Achemar Academy is to provide a school where at risk students will thrive in an atmosphere of high expectations and engaging curriculum with challenging learning activities.

Vision:

ISANA Achemar Academy will be a community of diverse individuals where students will develop their intellectual, artistic, and physical talents to the highest degree. Our vision will encompass five critical focus areas that affect the school community:

Academic Excellence

Our academic program challenges the intellect and maximizes the potential of each student to acquire knowledge, concepts, and skills necessary to become thinking, productive, responsible citizens. Excellence in academics results in a love of lifelong learning and supportive, involved community.

Mutual Respect

ISANA Achemar Academy fosters a culture of mutual respect that builds trust and engages students in learning.

Qualified Teachers and Paraprofessionals

Teachers and paraprofessionals meet ESSA standards as qualified.

Parental Investment and Community Involvement

Parents want the best for their children and share in the responsibility and the process of educating their children. These involved parents serve as catalysts to students' success.

Respect and Diversity

ISANA Achemar Academy is an inclusive community in which people from different cultural, ethnic, racial, and religious backgrounds learn, live, and work harmoniously with mutual respect, without compromising their beliefs and their identities. We champion the cause of excellence and equity.

School Facility Conditions and Planned Improvements

The LEA takes great efforts to ensure that all schools are clean, safe, and functional at all times. In our continuing effort to stay in "good" standing, our Director of Facilities utilizes the State of California Facility Inspection Tool (FIT) form for all site inspections. For information on the results of the latest survey completed please contact John Vargas by email at jvargas@isanaacademies.org.

Improvements will be made for increased learning achievements and based on budget availability.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students Grades Three through Eight and Grade Eleven Percentage of Students Meeting or Exceeding the State Standard

Subject	School 2016—17	School 2017—18	District 2016—17	District 2017—18	State 2016—17	State 2017—18
English Language Arts / Literacy (grades 3-8 and 11)	33.0%	41.0%	31.0%	35.0%	48.0%	50.0%
Mathematics (grades 3-8 and 11)	31.0%	38.0%	24.0%	27.0%	37.0%	38.0%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2018—19)

Parents will be actively engaged in the development of the school as members of the Site-based Management Council.

Prior to the enrollment of a student, the parent(s) and the student will meet with the principal.

Parents will be provided multiple opportunities to develop awareness of benchmarks and what their children must achieve to be successful.

Parents will be encouraged to volunteer time to support the school and to participate as mentors.

Parent-teacher conferences will take place twice a year, and as needed.

There are several types of parent meetings parents can attend: General Parent Meetings, Parent Advisory Council, School Site Council, District English Learner Advisory Council, PTO meetings and parent workshops.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

School Safety Plan (School Year 2018—19)

A key component to emergency and disaster preparedness is knowledge. Knowing how to respond to an emergency will lead to effective remediation of a problem.

The Standardized Emergency Management System (SEMS) provides for a fully integrated and coordinated multiple level responses to multi-agency, multijurisdictional emergencies. SEMS is based on the Incident Command System (ICS). ICS has five primary functions:

Command/management, operations, planning/intelligence, logistics and finance/administration.

All school personnel have pre-designated duties and responsibilities to assume in the event of a major disaster; earthquake, fire, lock down or other determined emergency. All ISANA Achemar Academy employees automatically become Civil Defense Workers upon declaration of a disaster or state of emergency.

The emergency plan as created to assist the administration and staff members should a disaster occur. The first and foremost objective is safety of the site's students and personnel.

Teachers are required to inform their students about the safety procedures and practice them frequently.

Professional Development

Prior to the beginning of every academic year there will be ten days of paid faculty training aimed at developing standards-based curriculum guidelines and

lesson plans.

There will also be four additional "Professional Development Days", throughout the year to be held as follow up sessions. These opportunities provide the staff to meet together for a full school day to work on creating thematic and integrated lesson plans.

Teachers will also meet every Wednesday at the end of the school day to prepare for common planning, analyzing of student work and to evaluate status of targeted goals identified on prior full day professional development days.
