Hello ISANA Staff, Parents, and Families,

We hope this message finds you well. We want to remind you that we will begin our on-campus baseline COVID-19 testing for all ISANA students and staff tomorrow, Tuesday, January 4, 2022 (please see below for your child's school's testing days). Please note that **baseline testing is mandatory** for all students and staff. If you are unable to make it to a school site, you can test with an outside provider (please report any positive test results to the school's main office). However, with testing in high demand, we expect that our own campus testing will be of much easier and more convenient for our families.

We will continue to conduct weekly testing once school resumes and mask use will remain mandatory.

### **Classes will resume on Tuesday, January 11, 2022.**

The health and safety of our students, staff, and every member of our school community is of upmost importance, and as we have seen over the past couple of weeks, the number of new COVID-19 cases continues to rise. By conducting baseline testing **the week before students return** to school, we can ensure that all test results are processed prior to the first day back from winter break and guarantee that any individual who tests positive stays safe at home and gets the care they need.

lunes 3 de enero de 2022

Hola, personal escolar, padres y familias de ISANA:

Esperamos que este mensaje los encuentre bien. Queremos recordarles que mañana, martes 4 de enero de 2022, comenzaremos a hacer nuestras pruebas de COVID-19 en nuestros campus para todos los estudiantes y miembros del personal escolar de ISANA (favor de ver a continuación los días en los cual se harán las pruebas en la escuela de su hijo). Por favor tengan en cuenta que todos los estudiantes y los miembros del personal escolar **deberán hacerse una prueba obligatoriamente**. Si no pueden llegar a una de nuestras escuelas, pueden realizarse la prueba con un proveedor externo (favor de reportar a la oficina principal de la escuela de su hijo de cualquier resultado positivo). Sin embargo, con la gran demanda que existe por hacerse pruebas de COVID-19, esperamos que sea mucho más fácil y conveniente para nuestras familias venir a una de nuestras escuelas.

Continuaremos realizando pruebas semanales una vez que se reanude la escuela y el uso de mascarillas seguirá siendo obligatorio.

**Las clases se reanudarán el martes 11 de enero de 2022.**
