NOTICE OF NON-AWARD OF CONTRACT FOR PROP 39 (CLEAN ENERGY) COOL ROOF PROJECT

COOL ROOF RFP 10-23-2018

Dear Prospective Bidders:

First Note Finance and ISANA wish to thank you for your time and effort in submitting a proposal in response to the RFP above for the installation of a cool roof at the ISANA Nascent Academy. After carefully reviewing the proposals, ISANA has decided not to award a contract for this RFP at this time. This decision does not reflect the quality of any proposal, but rather the evolving needs of the ISANA Academies. It is anticipated that an updated RFP will be released in the near future and prospective bidders are encouraged to check the ISANA website for notification of the RFP and, if interested, to submit a response to the updated RFP.

Thank you again for your professionalism and understanding, and we look forward to the opportunity to engage with you in the future.

Sincerely,

Leslie Pluma
Energy Project Manager
