\* The RFP timeline was amended on 05/01/19 to extend the deadline for proposers to submit proposals due to delay in posting of Q&A for all vendors. Vendors who have submitted their RFP can resubmit the entire bid package electronically, or electronically submit an addendum that answers/addressed the questions and answers, if necessary.

\*\* *Interested Providers must schedule a tour of each facility (as outlined in the Scope of Work), prior to submitting a bid. If proposer has already toured the facilities, this is not required. To schedule a tour, please email [jvargas@isanaacademies.org](mailto:jvargas@isanaacademies.org)*
