

**ISANA ACADEMIES
RFP 2019-02
FSMC**

RESPONSES TO QUESTIONS RECEIVED

1.) Who is the current meal vendor?

Current Meal Vendor is Better 4 You Meals.

2.) What is the current price per meal for breakfast, lunch, and snack?

Breakfast \$1.96, Lunch \$3.09, Snack \$.84

Snack does not include servers. All others do. See spreadsheet for planned server hours.

These prices do not include commodities credits. Commodities credits are provided as a credit to the total monthly bill.

3.) Why are you going out to bid for meal service?

We are required per our revised fiscal policies and procedures to go out to bid for services over \$100k.

4.) Are servers only needed for lunch at each site?

Each site needs servers for lunch. Please see previous spreadsheet for details.

5.) Since breakfast is grab N go – prepackaged items - are servers needed?

Depends on the site. Please see spreadsheet.

6.) Do you prefer family style entrées for lunch or Individual pre-packaged entrees?

Pre-packaged.

7.) Can meals be delivered cold to be heated onsite by the FSMC?

No. All meals must be delivered warm and/or ready to serve.

8.) Can each site accept family style veggies or do veggies need to be unitized by site?

Unitized.

9.) Please provide the average daily meal counts - by site - for breakfast and lunch?

Please see spreadsheet.

10.) Does each site have a fully operational kitchen with a 3 compartment sink?

No.

11.) Does each site have appropriate refrigeration and retherm ovens to keep cold and hot meals at temperature? If not, please describe by site what equipment is available?

No. Only equipment available are folding tables and canopy. All items should be brought in warm and ready to serve, individually packaged.

12.) Are the sites each capable of holding a refrigerator and retherm oven?

No.

13.) Please provide your definition of Grab N Go breakfast?

Items are prepackaged and students should be able to grab the items themselves.

14.) Is cold breakfast only needed for Grab N Go breakfast?

We would like variety, hot/cold.

15.) Is Choc Milk needed? If so, how many days per week by site?

This varies by site. To be determined when ordering.

16.) What are the start and end times for breakfast and lunch per site?

Please see spreadsheet. This year we will be implementing second chance breakfast for all schools.

17.) Is a server needed for snack by site?

No

18.) The RFP sounds as if the SFA will be running POS for meal service – please confirm that this is not the FSMC’s responsibility.

The SFA will be running the POS for meal service. We currently utilized PowerLunch. The FSMC will not be responsible for POS service.

19.) RFP page 5 says that “FSMC to accommodate special diets where medically necessary. However, if you cross reference with RFP page 45 -- it says that the SFA is responsible for developing meals for students with disabilities and who cannot eat regular lunch. What kind of special diets? We definitely need clarification on this so the team can align on what products/services we are willing to provide (if any).

We need the FSMC to provide vegetarian options as well as therapeutic options, depending on student needs. This can consist of diets to accommodate peanut allergies, gluten free diets, lactose free, etc.

20.) RFP page 52 says 6 schools and 6 other sites for a total of 12, but page 62 says there are multiple serving locations per site. What does this mean?

Please see spreadsheet attachment that indicates number of serving locations.

21.) RFP cover page says that Bids may be submitted via email, but RFP page 11 says we must submit a paper copy and an email copy. Please confirm which is needed?

Please submit bid responses via email. Paper copy is optional.

22.) Are any of the schools on CEP?

None. However, next year we will be moving towards Provision 2. (next year will be base year)

23.) We request the approval to visit all the sites prior to the bid due date so we can verify the equipment needs.

This is not possible. We have multiple sites that are located on Prop 39 sites so this is impossible. Current Site equipment is 2-3 Folding tables. Everything else is brought in daily.

24.) Is this a winner takes all bid or will sites be selecting different vendors?

This depends on the bids. We reserve the right to select different vendors for different sites or select a single vendor for all of our sites. We anticipate the latter.

25.)Are the schools on offer vs serve or serve?

We are currently utilizing offer vs serve.

26.)Please provide the bell schedules for all sites for the upcoming year or a delivery time frame (earliest and latest delivery times) per site for lunch and breakfast (if applicable)

Please see the site spreadsheet that includes the breakfast and lunch times.

27.)How often are meals currently delivered to sites? Do you require separate deliveries for breakfast and lunch?

There are three delivery/pick up times.

- a. Breakfast is delivered in the morning (prior to 7am).
- b. Lunch and Snack is delivered prior to lunch service. Breakfast cambros/leftovers are picked up at same time.
- c. After lunch, lunch cambros/leftovers are picked up

28.)Are cambro units required to be picked up at the end of the day?

Yes.

29.)Will the bids be opened publicly?

Bids will be received via email and opened after the deadline.

30.)Can you send us a copy of your current menus?

No. We would like the bidders to provide their recommended menus.

31.)Please provide a list of the current equipment with specs, that is school owned. Indicate the quantity and the site

- a. Warmer
- b. Retherm oven
- c. Refrigeration single door or double door
- d. Milk chest

None of the above equipment is applicable.

32.)Which pieces of equipment could be accommodated by each site if provided by the vendor? Please indicate the quantity and the site

- a. Warmer
- b. Retherm oven
- c. Refrigeration single door or double door
- d. Milk chest

None of the above equipment can be accommodated.

All food must be delivered ready to serve. Milk/Juice must be delivered cold.

33.)Do your sites have fridge's for milk or cold items ?

No fridges – cold items must be delivered daily.

34.)Are you currently being charged a monthly transportation fee? Equipment rental fee?

No

35.)What are you currently unhappy with the food your current vendor food options?

Need to increase our participation rates. Students are used to the menu. Possibly need new items in the menu.

Commodities Related Questions

1. Please provide a list of all USDA Commodities to be used in the SY 19-20 meal service.

See attached survey.

2. Did the sites use USDA foods last year during SY2018-19?

Yes.

3. If yes, what was your entitlement in SY2018-19?

146,903.08.

4. Please provide the amount of in dollars and items of commodities used this current school year.

This past year we received approximately \$67k in commodities credits. See survey for commodities list.

5. What has been requested on surveys for next year for SY2019-20?

See attached survey.

6. Please provide a copy of submitted surveys from the state agency's order system for SY2019-20.

See attached survey.

7. Does the school have DoD funds? If so, please identify.

No.

8. Are you requesting that pricing be exclusive or inclusive of commodities?

Exclusive of commodities. Any commodities credits would be deducted from the overall monthly bill. Please provide an estimate of the annual commodities savings for our organization.

9. Please provide the list of commodities and the quantities your school has ordered for next school year.

See attached survey.

Attachments:

1. Site Detail Spreadsheet – Includes info on serving locations, # of servers, serving times, avg orders per site
2. Commodities information – Attached survey.

3. Please ensure you provide sample menus.

Additional Clarification from SFA

- Please ensure that per meal prices do not include commodities savings.
- Please estimate commodities savings and provide estimated credit.
- All meals should be pre-packaged and ready to serve. No warming/storage on site.
- You may include the price per meal and price per server separately, if necessary.
- Pricing – Please include two pricing options for us to review.
 - Option 1 – Per meal cost that includes server cost.
 - Option 2 – A separate meal cost and separate server cost.

**ISANA Academies
NSLP Serving Location
Spreadsheet**

*Note: Times and lunch orders are based off of 2018-19 school year. Subject to change.
